### Key Responsibilities:

- Develop and implement themed lesson plans that align with educational standards and goals
- Utilize a variety of teaching methods to accommodate different learning styles and needs
- Create a warm, inclusive, and supportive classroom environment
- Encourage positive social interactions and emotional growth among students
- Monitor and assess student progress, providing feedback and support as needed
- Maintain open and effective communication with parents and guardians
- Collaborate with other teachers and staff to ensure cohesive educational experiences
- Adhere to all school policies and regulations
- Participate in professional development opportunities to stay current with best practices in early childhood education

## Qualifications:

- Bachelor's degree in Early Childhood Education or a related field
- Previous experience working with young children in an educational setting preferred
- Strong understanding of child development and early childhood education principles
- Excellent communication skills, both oral and written
- Ability to create and implement engaging lesson plans
- Patience, creativity, and a passion for teaching
- Ability to work collaboratively with colleagues and parents
